Various cultural programs such as folk dances and mask dances by schools, the business community, and Dzongkhag cultural groups were performed. In addition, the Dzongkhag Education Sector exhibited the education journey through the articles of the past which was one of the unique National Day programs in the Dzongkhag.

The day was also historically marked with lucky draws in between the other programs. These exciting programs have drawn around 3000-3500 people. The business community sponsored the gifts for the National Lucky Draw.
